WINNIPEG GETS BIG WELL

GUSHES AT RATE OF 175 BARRELS FROM DEEP SAND

Operations Watched by Fraternity for Past Ten Days Result in One of Biggest Producers on Sand—Kemp-Birdsong in Field

The Winnipeg No. 1, Bond et al. on section 100, has taken its place as one of the really big producers in the South Vernon field. Deepening this well with standard tools has been in progress for the past week and the operations have been watched with much interest by the fraternity. The well picked up the deep sand last night and blew in with a heavy oil pressure with some gas. The well has been flowing about 175 barrels per hour since the sand was picked up, which makes it good for about 2,000 barrels per day.

The work of deepening the Winnipeg well was started as soon as the Bridwell-Heydrick No. 1, Stephens, an offset in section 83, came in for about 1,600 barrels daily production. Evidently both of these wells have the same sand as found in the South Vernon No. 1, Stephens, the pace-setter for the field.

The Winnipeg got its rich find in a fine looking brown sand in a line rock above, which is taken as assurance that the field will develop into one of the best in all the Southwest.

Another development of the last twenty-four hours that is arousing much interest is the announcement that the Kemp-Birdsong is on a very promising sand at 2178. Casing is being set to test out this sand, and if it becomes a well an important extension of the field to the northeast will be recorded.

A second well that is expected to come in within the next day or two is the Hunter-Dandiger No. 1, Dill, on section 84, which is feeling for the sand at 1,890 feet after encountering a good showing last night. Like the Kemp-Birdsong, this well will mark an extension of the field if it is a well. It is located on the north slope of the ridge north of the Bridwell-Heydrick and O'Donohue Dill leases.

Other important developments for the week include the completion of the Waggoner Refining Company's pipe line from Electric to the field and the rapid progress made on the Sinclair's four-inch line. Texas and Humble six-inch lines are being laid as rapidly as possible but they will be slower reaching the field.

Mulligan No. 1, Waggoner, in section 100, is rigging up. Winnipeg, R. M. Waggoner and Cowden, Bond et al. offsetting the Ray-Massie lease on the south and the South Vernon lease on the west is rigging up.

Barkley & Meadows have spudded in their well in the southwest corner of the north quarter of Northeast quarter of section 83, block 14. This is a South Vernon offset.

The Humble Company, No. 1, Castlebury is rigging up. O'Donohue No. 2, Dill, southwest quarter of section 84, block 14, H. & T. C., drilling at 800 feet.

Prince Bros., No. 1, Zipperle, southeast quarter of 84-14, rat-tailing for gas sand at 1400 feet.

Winnipeg No. 2, Bond, et al., section 100, block 14, is drilling at 1600 feet, and Winnipeg No. 3, an offset in the same section, is drilling at 900 feet.

Charles Kols, No. 1, Waggoner, section 99, block 14, drilling at 900 feet. Wells-Guiberson No. 2, Waggoner, southeast quarter of 99-14, drilling at 700 feet.

Ray-Massie No. 1, Bond, et al., section 100, block 14, drilling at 1600 feet. Ray-Massie No. 2, an offset, drilling at 300 feet.

South Vernon Oil Company, No. 4, Stephens, drilling at 800 feet. South Vernon No. 5, Stephens, 83-14, drilling at 800 feet.

McCamy-Sheerin No. 1, Richardson, southwest quarter of 83-14, drilling at 1600 feet.

MRS. FERGUSON IS WINNER IN COUNTY IN TUESDAY'S VOTE

Democratic Nominee for Governor, However, Runs Far Behind Ticket and Loses Five Precincts to Opponent in Light Balloting

A very light vote was polled in the general election in Wilbarger County Tuesday, with the Governor's race accounting for more votes than were cast for President. Figures were not compiled on any of the other races. Candidates on the Democratic ticket for local offices had no opposition and there was no interest in races other than for Governor and President.

John W. Davis, Democratic nominee, carried the county over President Coolidge, Republican, and R. M. LaFollette, Independent Progressive, by an overwhelming majority. The vote stood Davis 1377, Coolidge 273, LaFollette 88. Possibly for the first time in the history of the county a Republican nominee for President carried a precinct in Wilbarger County. President Coolidge won the Elliott precinct by a majority over his two opponents.

Though she ran only 229 votes behind Davis, Mrs. Miriam A. Ferguson, Democratic nominee for Governor, failed to get the majority usually accorded the Democratic nominee over the Republican nominee. Mrs. Ferguson received a total of 1148 votes against 734 registered for Dr. George C. Butte, her Republican opponent. Mrs. Ferguson ran far behind other nominees on the Democratic ticket in state and local races.

Mrs. Ferguson received a majority in thirteen of the eighteen election precincts in the County. Dr. Butte carried five precincts and received an almost two-to-one majority in Harrold. Other precincts carried by the Republican nominee were Hinds, Haney, Guyer and Elliott.

The amendment relating to a change in the constitutional provisions on requirements for pensions for Confederate veterans carried by a large majority, though many voters failed to register a choice in the matter. The vote was 333 to 120. Only precinct, Mack, turned in a majority against the amendment. No votes on the proposition were recorded in several precincts.

The vote for President and Governor by precincts, follow:

Home Burns As Owner Watches Election Returns

The five-room residence of C. H. Ratliff on the corner of Cumberland and Olive streets was nearly a total loss, Tuesday night from fire, which originated in the rear of the house, according to a roomer, who was there when the fire started. There was no fire in the kitchen stove, and it is thought the blaze was caused from defective wiring.

Mr. and Mrs. Ratliff were watching the election returns when the alarm was turned in and by the time they reached the place, the house was in flames. A very few of the household effects were saved. A quantity of canned fruit, the result of Mrs. Ratliff's summer's labor, was a total loss. The house and contents were partially covered by insurance.

Rich Dula Youth Is Held in Suit.

ROBERT B. DULA, JR.

After an absence from New York of two years, Robert Byron Dula, Jr., son of an immensely wealthy New York family, was arrested and held in \$2,500 bail upon his return, in a separation suit brought by his wife, Eisle Hinman Dula. Mrs. Dula asks the tobacco magnate's son to pay her \$2,000 a month alimony and \$10,000 attorney's fees. Another suit for \$250,000 for alleged alienation of affections is pending against his father.

SITE FOR NEW ICE PLANT ANNOUNCED

QUARTER BLOCK AT CORNER OF CUMBERLAND AND OLIVE STREETS PURCHASED

The Vernon Electric and Ice Company this week announced the closing of deals for four lots at the corner of Cumberland and Olive streets, with 120 foot frontage on Cumberland and 110 feet on Olive Street and will shortly begin the erection of a concrete and steel fire-proof building to house a raw water ice plant which will be in operation before the opening of the next season.

The building will have the appearance of a city store building and will follow attractive architectural lines. The machinery will be propelled by electricity, eliminating any objectionable features connected with the operation of plant with steam or internal combustion engine power. Special consideration will be given to the building to confine the sound of the operating machinery to the rooms where it is located.

These features will be included in order to obviate any objection which might be raised by owners of adjacent residence property to the location of an industrial plant on the site. It is stated that the plant will be just as attractive from the standpoint of appearance as any business building and with a type of construction that will confine machinery noise to the rooms where located, the new building will be an important addition to that section of the city.

The lots for the building were acquired from three former owners, John Brown, J. T. Cameron and R. H. Coffee. The cost of the building and plant will be about \$10,000.

\$10,000 FIRE AT PARSLEY BUILDING ON NORTH MAIN

Fire Yesterday Originating in Cotton Office Threatens Four Brick Buildings—Ample Water Supply—Prompt Action by Fire Department

Flames fanned by high winds from the south yesterday morning for a time seriously threatened four two-story buildings on North Main street. The fire is said to have originated in the cotton offices of Ludd, Scott and Griffiths, in the upper floor of the J. N. Parsley building and was discovered as the flames were breaking through the roof about 9 o'clock.

The second floor of the building was occupied by other cotton buying firms: Christian, King and Davis and John Reese. These suffered heavy losses as did Ed Storey, who had radio supplies stored in the building. The Charles Brown (Cafe fixtures and stock were badly damaged by smoke and water on the ground floor. Zachary & McCaleb, produce dealers, next door, suffered water damage when the roof of the Peck building caught fire and the fire fighters were forced to break into the attic and flood that building with water.

The fire fighters managed to keep the blaze confined to the second floor of the Parsley building and by prompt action on the part of the local fire department and an ample supply of water the flames were soon extinguished. Hundreds of citizens of the town watched the progress made by the fire department.

The loss is estimated at \$10,000, partially covered by insurance.

NEW PASTOR TO PREACH SUNDAY

REV. C. A. BICKLEY FROM CORNICANA WILL FILL METHODIST PULPIT TWICE

Rev. C. A. Bickley, who is to be pastor of the First Methodist church here for the ensuing conference year, will be here next Sunday to preach at both morning and evening services, according to a letter received here today.

He is now presiding elder of the Cornicana district in the Central Texas Conference and it will be necessary for him to return to his home to wind up the affairs of his district and attend sessions of his conference which opens Wednesday of next week. On account of the necessity for attending the Central Texas Conference he will probably not be in Vernon for services a week from Sunday.

The following week, however, he will move to Vernon and take up his work with the local congregation. He was appointed to the local pulpit last Sunday at the closing session of the Northwest Texas Conference at Abilene.

3-STORY BUILDING AT TEXAS AND MAIN SELLS FOR \$35,000

Dr. T. A. King Makes Purchase from Robert Houssels Estate of Prominent Business Property—Improvements Contemplated

A deal has been closed this week whereby Dr. Thomas A. King purchases the three-story building at the corner of Main and Texas Streets from the Robert Houssels estate for a consideration of \$35,000.

The building was erected a number of years ago by J. E. Lutz and it was known as the Lutz building until about four years ago when it was sold to the Sigler Oil Company during the boom following the finding of oil in the Sigler wells south of Vernon. The name was then changed to the Sigler building. Later it was acquired by the Robert Houssels estate and the name was changed to the Hawkins building.

This was the first business building in Vernon of more than two stories in height, which distinction it still enjoys.

The new owner of the building contemplates making some improvements in the building. Steam heat and elevator service are being considered, but no definite plans have been announced. The third story is not occupied at the present time, but it is believed that it would become very desirable for offices with the addition of a passenger elevator. If such a change is made, the elevator entrance will probably be located on the Texas street front.

The ground floor of the building is now occupied by Murray's Shop, a ladies' ready-to-wear store, and the Samuel Barber shop. The second floor is occupied as offices by a number of professional men and others.

GROUND BROKEN FOR NEW BRICK

E. A. SHOWERS STARTS ON ONE STORY BUSINESS HOUSE ON PEASE—READY JANUARY 1

E. A. Showers, of Corsicana, started the erection last week of a one-story brick building on Pease street, one door west of the North Texas Hardware Company. The building will be 30x110 feet and will be completed and ready for occupancy by January 1. Allen & Davis, local contractors, have the contract.

Falls & Fulcher Variety store, now at the corner of Main and Wilbarger, will occupy this building as soon as completed with the exception of 35 feet by 110 in the rear part of the building, which will be used by the North Texas Hardware company as a storage room.

The building will be modern in every respect and will add to the appearance of the business section of the city.

Mr. Showers was a former resident here and is a brother of J. L. Showers of the North Texas Hardware Company.

J. A. DIXON GOES TO NEW YORK CITY

LOCAL MERCHANT AND PARTY LEAVE FOR EASTERN MARKETS TO PURCHASE STOCK

J. A. Dixon, accompanied by his daughter, Miss Beryle and Mrs. D. D. Jackson left Wednesday for New York City where he goes to buy goods for his new store which is in course of completion on the site of his old building that burned last February. Mr. Dixon announces that he will be ready for business December 1. The fixtures are here ready to be installed and everything in readiness by the first of next month. The party will be met in New York by Miss Stella Mason, experienced buyer, of Wichita Falls, who will be head of the women's ready-to-wear department and will purchase stock for her department. Mrs. D. D. Jackson will be with this department and will assist the manager in her selection of good for the new store.

Just before his departure for the Eastern market, Mr. Dixon leased the front part of the mezzanine floor to Mrs. K. D. King for a beauty shop. Entrance to the shop may be made from a stairway on the outside or through the main building. The Dixon party will be gone two weeks.

PLAN TO CARRY 300 TO 500 TO WITNESS DISTRICT CHAMPIONSHIP GAME AT PANHANDLE METROPOLIS

A Special Rate of \$6.85 for Round Trip Is Secured from Fort Worth & Denver for Armistice Day Excursion--Business Houses Close and Great Game Is Expected for Vernon Lions

A special train with not fewer than 300 passengers will be run from Vernon to Amarillo for the football game between the Vernon and Amarillo high schools next Tuesday when the two teams clash for the Class A championship of district 1 of the Interscholastic League.

A special rate of \$6.85 for the round trip has been authorized by officials of the Fort Worth & Denver Railway for the occasion on the condition that 300 tickets are sold. Children under twelve years of age will be entitled to tickets at half price. The tickets will be good only on the special train.

The schedule arranged specifies that the train shall leave Vernon at 6 o'clock Tuesday morning, arriving in Amarillo at 11:30. One of the crack passenger engines of the Denver Road will pull the train and it will make the run of 173 miles to Amarillo in five and one-half hours. Returning the train will leave Amarillo about 7:30 or 8 o'clock in the evening and arrive in Vernon shortly after midnight.

This arrangement will give the Vernon rooters time to stage a parade and demonstration through the business district of Amarillo, get lunch and have ample time to reach the Bivins stadium where the game is to be played before the game is called at 2:30.

The Board of City Development in Amarillo will provide transportation from the downtown district to the stadium. Under this arrangement the trip can be made at nominal expense. Railroad fare, two meals and admission to the game are the only necessary items of expense.

Tickets were placed on sale yesterday and it is urged that those who expect to make the trip get tickets at once. It is necessary to close the sale of railroad tickets Saturday morning in order to get the equipment ready for the train. Those who fail to buy tickets today and tomorrow morning cannot be assured of seats on the train, though every effort will be made to care for all who desire to make the trip. It is impossible, however, to hold open the ticket sales, because the railroad officials must be notified in advance just how many cars will be required.

Practically all business houses in Vernon will be closed Tuesday in observance of Armistice day, and business men and their salespeople will take advantage of the holiday to make the trip to Amarillo to attend the game.

Dry goods and clothing merchants in a meeting at the Chamber of Commerce agreed to close, a number of grocery merchants have announced that they will be closed for the day, following an appeal issued by Marvin C. Culbertson, commander of the local Legion Post, asking that the town be closed for the day in celebration of Armistice Day.

The local band will be taken along to furnish music for the occasion, and it is expected that 500 or more Vernon people will be in attendance. Invitations have been sent to Electric, Chillicothe, Quanah and Wichita Falls inviting football fans in those towns to join in the Vernon special train. Good-sized delegations from each of these towns are expected. Newspaper men who will cover the game for state dailies will also make the trip with the Vernon party.

Every indication is that the train will be the biggest ever run to a high school football contest in Texas. The two leading teams of the Panhandle country are meeting for the honor of carrying the district colors into the state finals and the game will attract thousands of fans from throughout West Texas.

A section of 500 seats in the stadium at Amarillo has been reserved for the Vernon delegation and this number will be increased if it becomes apparent that more seats will be needed. The Vernon rooters will be given charge of the visitors' section of the stadium and will be seated in a body. Tickets for the football game will be sold on the train in order that there will be no confusion in getting tickets after arriving in Amarillo.

The special train will leave Vernon 40 minutes after the regular passenger train departs north. The special will pass the regular train at Childress and arrive in Amarillo about an hour ahead of it.

Armistice Day Will Be Observed Tuesday as National Holiday

Vernon will generally observe next Tuesday as a holiday in celebration of Armistice Day, which marked the ending of the World War six years ago. At a meeting held Wednesday at the Chamber of Commerce dry goods, clothing and shoe merchants agreed to close for the day and to observe Armistice Day each year, along with the Fourth of July, Thanksgiving and Christmas.

No closing agreements are being circulated among business men generally but an appeal has been made by Marvin C. Culbertson, local Legion commander, on behalf of ex-service men asking all business houses and offices to observe the day which commemorates the ending of the World War. Many grocery merchants have already announced that they will be closed for the day. The County Commissioners Court will postpone its regular sitting from Tuesday to Wednesday of next week. The banks will be closed, along with offices of professional men and others.

Special emphasis is being placed on closing this year in order to allow those who desire to do so to make the trip on the special train Tuesday to attend the Vernon-Amarillo football game for the championship of the Panhandle district.

"The Turmoil" Is on At The Pictorium 2 Days Next Week

"The Turmoil," a great story of American life, by Booth Tarkington, will be presented Monday and Tuesday at the Pictorium. The turmoil is caused all on account of the female of the species, who Kipling says "is more deadly than the male." For in the story, she is unfair to her husband, makes her sister-in-law miserable, gets into a fist fight, drives her husband to drink and lies and lies and lies. That is enough, so the public says, to cause a "Turmoil." The way out of the whirlpool is shown and shows what extraordinary things a woman can do to undo. The cast is George Hackathorne, Eleanor Boardman, Theodore Von Eltz and many others.

Neal Hart is here tomorrow in another splendid Western play, "The Verdict of the Desert," a romance of the gold rush days.

One of the sweetest and best of love stories is having its last showing today with Mary Philbin in "The Rose of Paris." A story of the city of Paris, the city of dreams and crime, glittering boulevards and Apache haunted alleys.

NO DELAYS WHEN THIS COMPANY HAS CLAIM TO SETTLE

Four claims, including three death claims, were paid last week by the Wichita Home Insurance Company, and health-accident division, known as the Great American Mutual Insurance Company.

In each case, the claim was paid within a very few minutes after proof was received. The advantage of dealing with a home company is that all dealings can be transacted with an absolute minimum of delay and red tape. The Wichita Home Insurance Company operates under the mutual assessment plan which reduces the cost to the lowest possible figure.

By recently adding its health-accident division, the Great American Mutual Insurance Company, chartered and operated under the insurance laws of Texas, this home organization is able to offer health and accident insurance on the mutual assessment plan, which means adequate, sound protection at the lowest possible cost. Write for details.

Speed King With Studebaker To Try For Big Race Prize

Earl Cooper, by taking second place at the opening 250-mile classic at the new Speedway here, is within 355 points of the national championship of the American Automobile Association for 1924.

One more sanctioned race remains to be driven at Los Angeles, Calif., on November 27. The winner of that race will add 500 points to his score. The driver coming in second will get 260 points and 140 points are awarded for third.

Thus, if Cooper can drive the swift Studebaker Special with which he has won all his points thus far, fast enough to win this race, he will become, for the third time in his career, the crowned speed king of the year. No other living driver has achieved such a record.

Cooper's standing now is 1,240. Jimmy Murphy, at time of his death at Syracuse, N. Y., had won 1,595 points, which remains the high score. At that time it was believed no other driver had a chance to overcome the enormous lead which Murphy had established.

But when, on Sept. 21, Cooper married Mrs. Jane Bailey of Troy, N. Y., the golden-haired girl who cried when he lost the Indianapolis race in July, she said:

"I will be Earl's mascot. He will win the championship this year."

The next race run was at Fresno, Calif., October 2. Cooper won it hands down. Charlotte was the scene of his second race since the wedding. He won second. His mascot's presence in the grandstand seemed to impart magic to his driving. He led the field from the 12th to the 66th lap, when he went into the pits. At the 138th lap he again took the lead according to the score board, and apparently never again was headed. But a check of time and laps gave him second.

He made the 172nd lap, of a mile and a fourth, at the rate of 124.6 miles an hour, but a waving handkerchief in Mrs. Cooper's box cautioned him and he eased off to a

pace only sufficient to keep his place. As a result, at the finish, his Studebaker Special was running like a watch.

Standing of the high three for the championship now is: Murphy (deceased 1,595; Cooper 1,240; Tommy Milton, winner here, 961; Bennett Hill, who won third here, 714.

THE BRITISH RETURN TO TORYISM.

Great Britain has reverted to form. Regarded as the most conservative people in the world, the British gave the world quite a shock about a year ago when they put the Laborites in charge of the Government. Liberalism had been in the saddle and a lot of legislation had been enacted which was regarded as radical by the more staid Britishers, but when the Labor party was placed in power on a program even more radical than the Liberals had ever attempted, the whole world gasped and wondered if radicalism was going to sweep all opposition before it.

But Great Britain moved along much the same with Labor at the helm as she had in former years under the Tories and Liberals. Nothing in particular happened, so far as could be sensed from this side of the Atlantic, but a short time ago the Labor Government was defeated in the House of Commons and the Cabinet appealed to the country. All three parties, Labor, Liberal and Tory, put out a full list of candidates, except that in some instances the Liberals stepped aside in order to leave the contest to the Tories and Laborites, and after the ballots were counted the Tories were given the greatest majority ever enjoyed by a political party in the British House of Commons.

This means that Great Britain will again be ruled by Tories. The reaction from extreme liberalism, which is perhaps the more accurate way to describe the British Labor party because radicalism to the British is far different from what is termed radicalism in other countries, was to Conservatism rather than mild liberalism.

Whether Great Britain will be better governed remained to be seen, but she will certainly be governed by more experienced men. The Tories have had much experience in governing, and even in government experience is worth something, although we Americans incline very strongly to the notion that as soon as one set of officers begin to get in position to render good service we ought to turn them out and start training a new set. This experimenting is great sport, but it adds to the cost of government. The British are wiser in this respect than we Americans. When they get a good man in politics, which is not so rare with them as it is with us, his party sees that he stays in office.

LION CUBS DEFEAT DEVOL TEAM 27-0

SECOND STRING MEN AND SUBSTITUTES OF LOCAL HIGH SCHOOL WIN EASILY

The Vernon Cubs won an easy victory over the Devol, Okla., high school team in a football game staged at the Fair grounds Tuesday afternoon. The Cubs after gaining possession of the ball in the first few minutes of the game registered five first downs in succession before the first quarter ended. They made the remaining ten yards by an end run for the first touchdown. Vernon crossed Devol's goal line twice more before the quarter ended without Devol gaining possession of the ball.

The Cubs started another march down the field in the second half and were on the four-yard line when one of the backs fumbled and Randall, left half for the visiting team, scooped the ball up and raced ninety-six yards through a clear field for a touchdown.

Coch Wilemon sent in Teel for Thomas, Odum for Scott, Goetze for J. Scott and Newth for Hollar. This combination opened up with passes and made several advances before the game ended.

Walker was the star of the game for the local team, making three first touchdowns in the second quarter. Key, Luttrell and Hollar played a good game.

The game ended with the Cubs in possession of the ball in their own territory, the score being 27 to 6.

Judge Griffiths Is Busy These Days Marrying Couples

Judge T. J. Griffiths, the marrying squire, is very busy these days in his office and he does not observe union hours. He marries couples at his office and then when he reaches home, they drive up to his front gate and even rout him out in the middle of the night, to tie the nuptial knot.

On October 25, he married L. H. Gilbreath and Miss Louisa Calipher, both of Burkburnett. The ceremony was said at his office. They will live in Burkburnett.

October 26, he united in marriage, Walter Skipworth and Miss Mary Haskins. The bridegroom is a son of Mr. and Mrs. E. L. Skipworth and the bride is a daughter of Mr. and Mrs. J. W. Haskins. Both families live near Odell. The couple will make their home on a farm in the same community.

October 29, another Burkburnett couple, Orin Hufackett and Mrs. Onda Depruy were married. They will make their home in Burkburnett. He also married two negro couples last week.

MRS. DARDEN ENTERTAINS HONORING HER HUSBAND

Mrs. George Darden pleasantly surprised her husband with a party last night at their home on West Paradise street, the occasion being his birthday. The house was beautifully decorated with roses and roses were given as favors. Diversion for the evening was spirited games of bridge and forty-two. At the close of the evening, a delicious two-course menu was served to Mr. and Mrs. E. M. Haney, Mr. and Mrs. Guy Puckett, Mr. and Mrs. T. A. Key, Mr. and Mrs. A. B. Swartwood, Misses Thompson, Beulah and Maudie Ladd, Louise Moss, of Cisco, house guest of the hostess and Messrs. A. J. Schell and Aubrey Foster.

Jacksboro Couple Wed by Vernon Woman Minister

K. M. Horn and Miss Annie Lee Blackburn of Jacksboro have the distinction of being the first couple wedded in Vernon by a woman minister. Saturday afternoon the couple called at the Central Christian church parsonage on Mesquite street and asked for a minister to perform the ceremony. Mrs. Calla S. Kopp, wife of Rev. Lewis P. Kopp, pastor of the Central Christian church, who is a licensed minister, said the words that made them man and wife. This is the first couple Mrs. Kopp has performed the ceremony for since her arrival in Vernon, but she married a number of couples before she came here. Next day, two couples were married by her husband, F. J. Kirk and Miss Vivian Tooley of Chillicothe were wed and the same day, Dan Brown and Martha Pinson of Fletcher, Okla., negroes, were married at the pastor's study.

Former Vernon Man Has Leg Amputated Following Runaway

Sam Lewis, former resident of this county, now living near Spur, suffered amputation of his left leg last Wednesday following injuries received when he was supposedly thrown from a wagon load of coal by a runaway team. Mr. Lewis was found lying unconscious in the road and since that time he has not been able to tell how the accident happened. He received serious injuries about the face and head. He was rushed to a sanitarium in Spur, and his leg was so fractured that it became necessary to remove the member that night in an effort to save his life. The leg was taken off just below the knee. On being informed of the accident, his brothers, B. H. and Hyson Lewis, and a sister, Mrs. J. A. Puckett, left to be at his bedside. They have returned home.

How Doctors Treat Colds and the Flu

To break up a cold over night or to cut short an attack of gripe, influenza or sore throat, physicians and druggists are now recommending Calotabs, the nauseous Calomel tablet, that is purified from dangerous and sickening effects. Those who have tried say that it acts like magic, by far more effective and certain than the old style Calomel, heretofore recommended by physicians.

One or two Calotabs at bed time with a swallow of water—that's all. No salts, no nausea nor the slightest interference with eating, work or pleasure. Next morning your cold has vanished and your system feels refreshed and purified. Calotabs are sold only in original sealed packages, price ten cents for the vest-pocket size; thirty-five cents for the Moarge family package. Recommend and guaranteed by druggists. No money back if you are not delighted. —Advt.

Miss Mattie Wheeler visited Mr. and Mrs. R. T. Lakins, Sunday.

J. G. Bryant has sold all of his farm here except forty acres.

PIONEER PREACHER TO FILL PULPIT AT BAKER SUNDAY

Rev. J. W. Oiler of Mack community, will hold services Sunday at the Baker school house, the new school building just north of the oil fields.

Rev. Mr. Oiler says: If it is the Lord's will I will fill my regular appointment at Brown (the new school house), north of oil fields next Sunday, November 9th. Subject for 11 o'clock hour "The Prodigal Son," Luke 15. At the 3:30 hour in the afternoon a lecture on my mistakes and terrible blunders in my early ministry and how I would get my texts and ceremonies mixed up. Come and take a hearty laugh. I preached at the old Brown school house 30 years ago next Sunday and there is not a person living in that community that was there then.

Come and you will receive a hearty welcome.

J. W. OILER, Pastor.

How To End a Cough Quickly

Specialists say to actually end a cough in the shortest possible time the medicine should not only soothe and heal the soreness and irritation, but should also loosen and remove the phlegm and congestion which are the real cause of the coughing. When this is done the worst cough quickly disappears.

This "double-action" method has been brought to perfection in the prescription known as Dr. King's New Discovery for Coughs. A few drops stop the coughing while almost instantly, and people who have hardly been able to sleep at night for coughing usually get their full night's rest even after the first dose. It has been very successful, too, for children's spasmodic croup, for bronchitis, laryngitis, bronchial asthma and hoarseness. On sale at all good druggists. Ask for
